

Summer Feeding

The Weld Food Bank Summer Feeding program is targeted to children in areas that are at risk for hunger over the summer months. In each area where we seek to establish a feeding site, we partner with members of that community to support and maintain the site. The meals are prepared on site in our commercial kitchen and then safely transported to the feeding sites. **All Summer Feeding sites are FREE to children under 18 years old.**

Weld Food Bank

Free Lunch served to all children under 18 years old
Shepherd of the Valley Lutheran Church
225 S. 6th St.
LaSalle, CO
Every Tuesday and Thursday starting June 5
12:30-1:30
